THE BARRE DAILY TIMES

SATURDAY, DECEMBER 2, 1905.

INTRODUCED 25 YEARS AGO.

When the history of achievements of American life insurance is properly written, it must credit the "National" with having recognized the investment character of all life insurance for the great body of people whose income arises from small wages, and whose investments, therefore, must be paid for in small amounts; in having introduced in fact and by title an insurance bond with cumulative non-forfeiture benefits after the second year. It has sold such insurance for a quarter of a century, 56th year, doing business in 42 states.

Banking by Mail.
Persons who have money to deposit in savings banks and who wish to have their money kept in Vermont to foster Vermont enterprises may send funds to the Lamont County Savings Bank and Trust Co., Hyde Park, Vt., feeling fully assured that every dollar will be loaned in Vermont. Depositors can remit funds at bank's risk if sent by check or postal money order. Address either the treasurer, C. A. Knight, or the president, C. S. Page, Hyde Park Vt.
The Hyde Park Banks hold the record of having never owned a poor note since its organization in January, 1889; a fact which is easily accounted for when it is considered that the loans are all in Vermont and the security therefore where it can easily be examined by bank's officials. Absolute safety rather than the high rate of interest that can be secured on western loans is the first prerequisite demanded by the Hyde Park Bank in making loans.

SONS OF VETERANS.

New Camp at St. Johnsbury—G. F. Ferguson Division Treasurer.

In division order No. 5, issued from the headquarters of the Vermont Division of the Sons of Veterans, by J. R. Ripley, division commander of Lyndonville, the following orders are promulgated:

The camp secretary and treasurer will make their quarterly reports before December 31, and all camp officers are to be prompt in forwarding their reports, as the new officers of 1906 cannot be installed till all reports and per capita tax due the division have been forwarded.

A roster of all the camps in the division will be made up as soon as the reports from the installing officers are received and a copy will be sent to each camp.

Capt. E. B. Frost Camp, No. 18, was mustered at St. Johnsbury on September 29 by Division Secretary George D. Thompson, assisted by Commander Ripley and brothers from Camp No. 75, Lyndonville, and Camp No. 20, Wells River. Sixteen charter members were mustered, and the following officers were elected and installed, and will be respected, and obeyed: Commander, Harry M. Nelson; senior vice commander, Ernest H. Cowles; junior vice commander, Ned D. Ripley.

Division Treasurer Allan S. Holbrook has tendered his resignation, which has been accepted, and G. F. Ferguson of Camp No. 75, Lyndonville, has been appointed and installed to fill the unexpired term of Brother Holbrook.

All checks and money orders for per capita tax, and supplies will be made payable to G. F. Ferguson. Division Treasurer Holbrook has removed to Dwight, Ill.

The proceedings of the 23rd annual encampment held at Richford have been printed, and copies of the same have been mailed to the camp commanders, past division commanders, delegates, G. A. R. S. of V. A. and others.

The Way It Goes.

An Atchison man and his wife had two sons and two daughters. With the arrival of the first baby they began planning about how their children should be "educated." The woman did her own work and the man worked, scrimped, and both denied themselves every pleasure. The boys were sent to college and the girls were educated in a boarding school. The children are men and women now; the parents, having spent every cent on their education, are poor and dependent upon them. This is what their education has done for the children: One son has a government position; \$60 a month and no hope of promotion or a raise. The other son learned a trade from a "common" friend of his and is getting along pretty well. In spite of his college training, one daughter married a dry goods clerk and has forgotten her French and German in talking bay talk to her two babies, and the sciences she studied at school do not help her much in mapping out her week's work, which includes washing and ironing. The other daughter married a country school teacher and her "education" is only an aggravation, as what she knows does not agree, always with what her husband knows, and they have more subjects to quarrel over than the average married couple. And the poor old parents, with every cent sunk in four "educations," are living first with one child and then with another, and are not any too welcome anywhere.—Atchison Globe.

Because we make medicines for them. They know all about Ayer's Cherry Pectoral, so they prescribe it for coughs, colds, bronchitis, weak lungs, consumption. They trust it. Then you can afford to trust it. Sold for over sixty years. We are so sure of its value that we give the formula of all our medicines. Lowell, Mass.

DOING THEIR DUTY.

Scores Of Barre Readers Are Learning The Duty Of The Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are sick.

Backache and many kidney ills follow. Urinary trouble, diabetes. Doan's Kidney Pills cure them all. Barre people endorse our claim.

Veteran Geo. W. Hunt (retired), Miles Block, says: "When I went to E. A. Drown's drug store in the winter of 1887, for Doan's Kidney Pills I had been subject to attacks of kidney, extending downwards. They were particularly in evidence after a hard day's work or if I exerted myself in any way. Many a night Mrs. Hunt has rubbed my back with liniments and applied hot water for the slight ease these makeshifts afforded. I was so pleased at the respite I received from the almost constant pain that when Doan's Kidney Pills stopped it I endorsed them publicly. I have had no reason to alter my opinion in the interim. I can add to my own experience that of others who have used Doan's Kidney Pills and are just as enthusiastic about the benefit received as I." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

An Easy Meal.

"I have noticed," said a commercial traveler, "and I presume that every man who has a wife who takes a woman's magazine has noticed, that considerable space is devoted of late to spurs for faded appetites. The modern idea seems to be to eat unconsciously, as it were, without realizing that you're eating or have eaten. And so a good many of the periodicals and papers run a column or two of hints concerning light, delicate, easily digested and easily prepared meals, particularly the morning meal. What to serve that will tempt father to draw up and use his knife and fork after an unusually late session downtown seems to be one of the problems of the times. I was reminded of all this yesterday forenoon at the hotel where I'm stopping. I strolled in the cafe for a match, and a well dressed chap followed me in, who looked as if he'd been making a night of it. 'What'll he be?' inquired the bar-keeper, cheerfully.

"I don't know," replied the reveller; 'I guess I'll have breakfast. Give me a glass of beer with an egg in it.' 'That was a new combination; at least it was new to me. It struck me that for a simple breakfast that could be put together hastily and almost thoughtlessly, without fuss or worry; it would be hard to beat it.' The man who had been compelled to listen was swallowing rapidly.

"I've heard of it," he nodded faintly, "but it isn't quite as simple as you imagine. They generally stir two or three tacks in it to make it stay put."—Providence Journal.
